DOC CEE AND MISS LIVY PLAY OUTSIDE IN THE CHRISTMAS SNOW

Book Summary

This is the first in an exciting “UReadULead” learning series featuring the young, talented Doc Cee and his equally, admirable twin sister, Miss Livy.

In this adventure, Doc Cee and Miss Livy have lots of fun during the Christmas season while sharing an important science lesson on weather, precipitation, and snow. Come join the fun and let the reading lead you to further explore what is weather and what causes snow.

Character Trait(s)

Friendship and Cooperation

A friend is someone who displays kindness toward you, and you in turn, do the same. When you cooperate, you work with a friend or people to complete a task or responsibility. In life you come in contact with people every day, and you should demonstrate good friendship and cooperation skills. Just ask yourself, “What would life be like if I had no friends, and what would happen if I did not cooperate with people or people would not cooperate with me?” Life would probably not be much fun at all.

In this reading selection, Doc Cee and Miss Livy demonstrate that they are not only siblings, but they are friends who know how to play, cooperate with, and learn from each other. Doc Cee and Miss Livy show their cooperation by playing with each other outside in the Christmas snow and building a snowman. Doc Cee uses this time to teach and help his sister understand the meaning of precipitation and all about snow. Like Doc Cee and Miss Livy, every day you should be friendly and strive to have fun at home and school by cooperating with and learning from others.

Who Are Doc Cee and Miss Livy?

Doc Cee and Miss Livy are really cool twins who share exciting adventures at home, in school, and anywhere they end up going.

Doc Cee, the elder twin, is a genius known worldwide for his advanced math and science skills. He is highly intelligent, enterprising, and athletically inclined. A natural leader, he finds himself at the forefront of situations. And he always wears his signature hat!

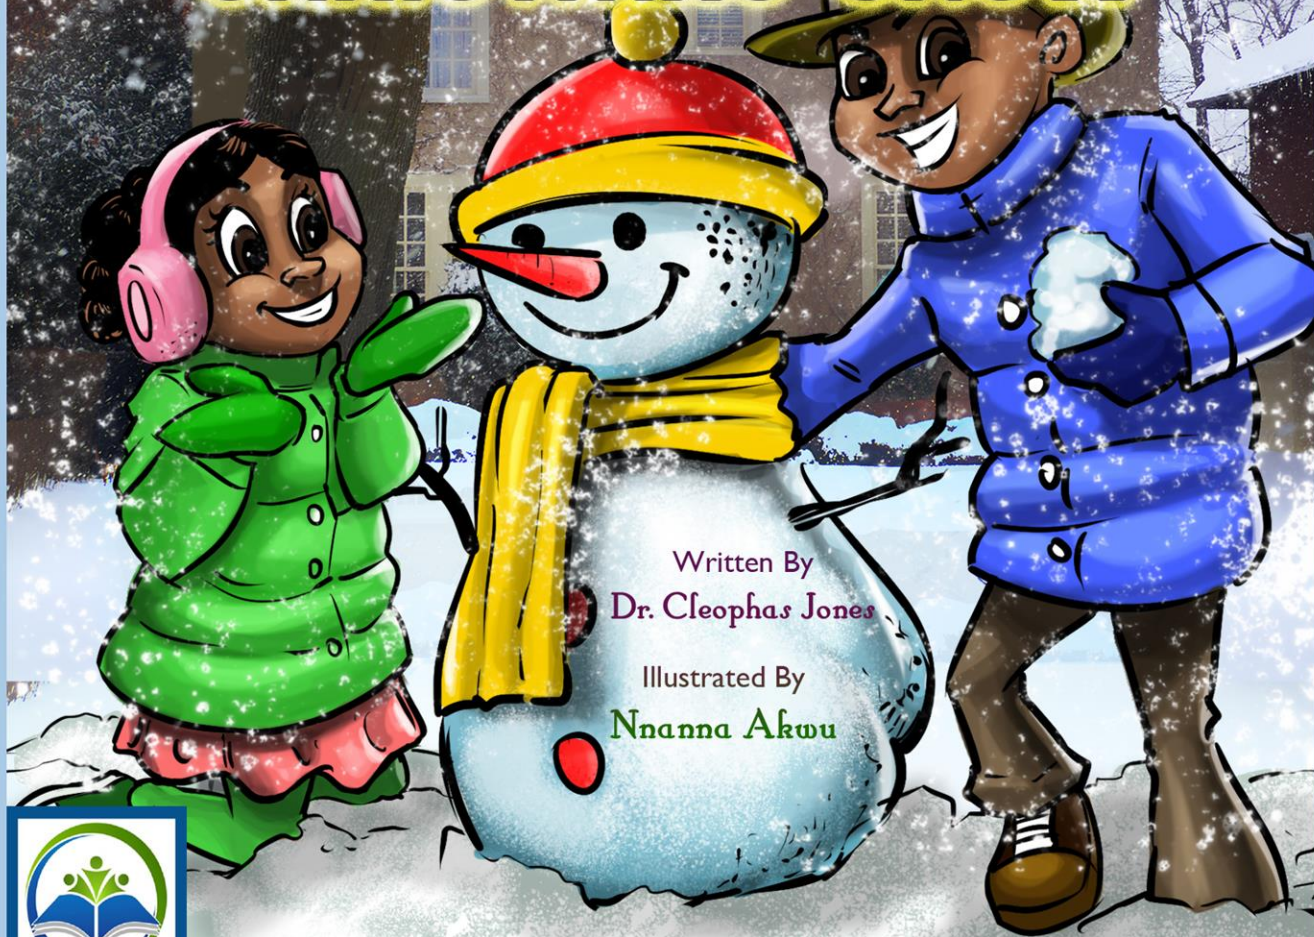

Miss Livy is the loveable, adorable twin sister who uses her wit to aid her brother and friends in their adventures. Like Doc Cee, she is academically gifted and athletically inclined. She loves reading, science, law, music, and gymnastics. Sometimes, she and her friends engage in learning adventures of their own.

**The Christmas season was here and you know how that goes:
Doc Cee and Miss Livy were outside in the snow,
Running and jumping and bumbling along,
While making snowmen, snowballs, and snow cones.**

**When Livy did say with a slight little grin,
“Why, it’s cold as ice, and I feel a brisk wind.” 2**

**To which Doc Cee did humbly reply,
“Your simile pales in comparison to mine.” 3**
