**MISS LIVY'S STEP DANCE
STARRING MISS LIVY AND DOC CEE**

Book Summary

Have you ever been in school and seen your teacher do something that you thought was very awesome and intriguing? Did it make you say, "Oh, Wow!"

Well, this "UReadULead" selection describes such an event. One day after school, Miss Livy does see her teacher do a "step". Miss Livy is fascinated with the teacher's performance. The experience inspires Miss Livy to further study the "step", dance, and choreography, along with the history of dance and its cultural roots. One wonders at what teacher/student experiences influence the career aspirations of a child. Will this experience influence the career path of Miss Livy? Time will tell. Do enjoy reading this fun, dynamic, rhyming poetic selection.

Character Trait(s)

Attentiveness and Participation

Attentiveness and participation go hand and hand when it comes to learning. To be attentive means to observe someone or something closely in order to learn.

Participation is when you involve yourself in an event or activity so that you can learn. Stop and think for a moment. How often do you participate in events or activities so you can learn?

In this story, Miss Livy sees her teacher performing a step routine, and Miss Livy wants to learn it. But, in order to learn, Miss Livy has to be willing to pay attention to the teacher and participate. You should demonstrate these same character traits. In school, you should listen to the teacher's instructions and participate positively. At home, you should do the same for your parents.

Being attentive and participating in a positive manner will help you to achieve and excel at school, at home, and in life.

Who Are Doc Cee and Miss Livy?

Miss Livy is the loveable, adorable twin sister who uses her wit to aid her brother and friends in their adventures. Like Doc Cee, she is academically gifted and athletically inclined. She loves reading, science, law, music, and gymnastics. Sometimes, she and her friends engage in learning adventures of their own.

**My teacher I did watch in school –
She did a step one day.**

**And she moved so gracefully,
It took my breath away.**

**It started with a little clap
Between her legs and feet;**

**And then she seemed to skip a bit,
But always to a beat.**

**She seemed to time her motions right –
From shoulder top to hip;**

**Her body moved methodically,
And sometimes with a dip.**
